Notice of Proposal to Engage in a Renewable Energy Project and Notice of First Public Meeting

FirstLight

Project Name: Fort Frances Solar LP
IESO Reference Number: LT2e-1007
Location: The Town of Fort Frances, Ontario occupying two land parcels between the intersections of McIrvine, Balsam, and Frog Creek Road.
Dated at Fort Frances the 26th of August 2026

Description: Pursuant to the Environmental Protection Act V0.1 (The Act) and Ontario Regulation 359/09 (the Regulation), the facility, in respect of which the Project is to be engaged in, is considered to be a Class 3 photovoltaic (PV) solar energy facility. A map of the Project Location is shown on the following page.

The Project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report describes the facility as a 57.2 MW solar (PV) facility. Electricity generated by solar PV panels would be converted from DC (direct current) to AC (alternating current) via inverters, then stepped up (via padmounted inverters and medium voltage transformers) to 44 kilovolts (kV) prior to being connected to the Fort Frances Power Corporation (FFPC) distribution network.

Public Meeting Date and Time: Tuesday, September 29 5:00pm-8:00pm
Meeting Location: La Place Rendez-Vous
1201 Idylwild Drive B2 - Rr#2, Fort Frances, ON P9A3M3, CA

Documents for Public Inspection: A written copy of the Draft Project Description Report is being made available for public inspection at https://bit.ly/4zfRthh , as well as the Fort Frances Public Library and Technology Centre located at 601 Reid Ave, Fort Frances, ON P9A 0A2.
